Brampton Ramble

Meeting Point: Frosts, Brampton Garden Centre

Time: 1 hour

Grade: Orange

Significant hazards to be aware of: Narrow pavements, golfers & golf balls, Cattle

	Route Instructions	Hazard
1.	Facing the main road, go right along the path towards the main road and River Lane.	
2.	Turn right into River Lane and continue until it meets Ouse Valley Way. There is no footpath along River Lane.	
3.	Turn left along Ouse Valley Way along the riverside. The path is waymarked. The path where the hedge disappears is very close to the river.	
4.	Follow the path over the bridge and bear right keeping the caravan park on your left.	
5.	The path joins at Broxholme Lane. Turn left and continue a short distance to the end of the caravan park.	
6.	Turn left onto the public footpath through the caravan park and continue through the hedge line. The path is not obvious – continue to the gap just before the far-right corner onto the golf course.	
7.	Go between the blue markers and through two gates onto the main road.	Golfers & golf balls
8.	Turn left across the driveway and immediately turn left through the gate into the field.	
9.	Continue the field path with Pepys House on your right. Go through three more gates into the churchyard.	Cattle
10.	Keeping St. Mary's Church on your left follow the path to the main road.	
11.	Turn left following the footpath past the Black Bull pub and return to the Garden Centre in about ¼ of a mile.	Narrow Pavement

Brampton Village

Meeting Point: Frosts, Brampton Garden Centre

Time: 60 – 70 minutes

Grade: Orange

Significant hazards to be aware of: Road/Street Crossings, Mud, Cattle

	Route Instructions	Hazard
1.	From Frosts car park, walk up Buckden Road to St Marys church. At the church, cross the road at the pedestrian crossing and turn right. After approximately 120 metres pass through the wooden gate into Rectory Close.	
2.	Follow Rectory Close and continue the footpath on the right-hand side to the playing field. Continue directly ahead until you find the footpath to the left. Take the footpath to the High Street and turn right.	
3.	Pass along the High Street crossing over Grove Lane, Bernard Road and West End. Once across West End, turn left and continue around the corner and, in front of the restaurant, cross the road on to The Green.	
4.	Continue with the school to your right and take the first right into Green Lane. Follow the lane ahead to Layton Crescent. At this point (depending on time) you can either...	
5.	(a) head straight down the hill and pick up the footpath between the houses or (b) Turn left along Layton Crescent then take first right and first right again until you arrive back at the bottom of the hill and turn left onto the footpath between the houses.	
6.	Cross the bridge over the brook and continue the tarmac path across the field. Before you reach the metal gates take the path to the left that takes you into what was RAF Brampton. At the temporary fencing turn right. Walk to the junction and turn left. Take the next left into Central Avenue. Continue the road to the Buckden Road. Cross the Buckden Road at the new pedestrian crossing turn right and head back to Frosts	

Brampton Wood

Meeting Point: Wildlife Trust car park, Brampton Wood, PE28 0DB

Time: 45 minutes

Grade: Orange

Significant hazards to be aware of: Tree roots & bricks on the paths, paths can also be very muddy & very slippery.

	Route Instructions	Hazard
1.	Take the path from the back of the car park. With the hut in front, the path verges to the left – BUT take the grass path on the right. Continue along this path, walking along the right-hand perimeter of the woods.	Tree roots & bricks.
2.	As the path forks, take the right path. (the left is useful for winter when the wood is very muddy & slippery)	
3.	Continue along this path, walking at the back of the wood.	
4.	As the path forks, take the left grassy path. The path ahead will take you around the perimeter of the whole wood.	
5.	At the crossroads just continue straight ahead until you are back at the car park.	
	There are many paths within the wood – all suitable for short cuts or extensions. The paths in the middle of the wood are likely to be less slippery/muddy than the paths on the outside so I'd suggest using these when necessary.
